AM7 (Jan. 78) D7 I WONDERED

I wondered when I should turn the new [illegible] AM7

" AM7 " " D7 " putting [illegible] AM7

" " " B9 [illegible] to look

" F#m7 " whats the best [illegible]

[illegible] the stars in the classified

over the rainbow B7 in a book

when should I be in a daze BM7 C9

when should I cast the curse BM7 G69

When B7 is it best to invest or to glaze

Whenever will I end this verse AM7

I wondered whats the best way to [illegible] AM7 D7

To carve a goose to answer about [illegible] AM7 D7

To hump a cow to [illegible] on [illegible] F#m7 B9

What is best for the galaxie F#m7

and our solar system for the Earth B9

I wondered what could be [illegible] BM7 C9

To the glaziers and Kleins BM7 G69

The former is warmer or colder I sing B7

while the latter is having a time

Now I wondered what the [illegible] AM7 D7 AM7

to the [illegible] AM7 B7 AM7

Oh I wondered [illegible] B9 [illegible] B9

In the [illegible] F#m7 while the [illegible] B9

and was [illegible] BM7 [illegible] BM7 in the field

The unborn is so hard to disprove B7

just go along with it like a fool [illegible]
