

Hers and Mine

David Chadwick 4/25/01

D

She's got her stars, I've got mine -- Once was we were valentines

A G D

But now -- we divide the universe

D

She's on her side, I'm on another -- King and Queen of something or other

A G D

Who have split the cosmos

G

D

G

A

There's nothin' else in the ten directions -- That's not either hers or mine *Interlude*

D

She's the southern, I'm the north -- For whatever it is worth

A G D

Lord and Lady of all space and time

D

We've our poles and we've our spheres -- Infinite and empty dears

A G D

Only Nirvana can join us

G

D

G

A

There ain't no answers to no quantum questions -- That don't fall in his or hers

D

There it's counter, here it's clock -- There it's glove and here ole sock

A G D

Same dancing sunlight upon us *[instrumental verse and interlude]*

D

She's got her stars, I've got mine -- Once was we were valentines

A G D

But now -- we divide the universe
