2nd thoughts about 2nd thoughts 7/78

C G F Fg
Pardon me for all this confession
Hours long have been sitting on the earth Fg
Time urges would throw
In our passion
what is it we
We lost our nerve
We drove out of the storm to flee the plot
Now we've got 2nd thoughts about our 2nd thoughts
We depended on our Cherry
only went so far
Oh you don't give a damn just watch and you
like the time
and the vacillation
2nd thoughts about our 2nd thoughts
Do it clean for what we mean
How
We Didn't trust the
We
2nd thoughts
about our 2nd thoughts

a
or a
but
all
