Back at the Sea Again

C9

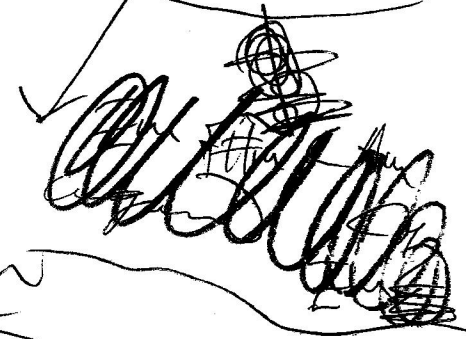

Em C9

Just get back from 3 months in the SW
last ^{one} month I've 'compared' by my dear friend

Made a few phone calls
walked down to the beach

Laughed and show my arms as far as I could reach
Back at the sea again

Back at the sea
Back at the sea
Back at the sea

Seen the finest forms of sandstone
tunnels, arches and cliffs

Seen these ancient dwellings
Seen a lot of relics
It's great to see but ~~oh to find to see things~~
Down here with the ocean - ~~Sanctum in the wind~~

Now everything's created by believing
We just receive the messages we
When you get back home
Wherever you've gone
You'll feel what I feel when I rave on (that kin)
