

8/78 all the hours of the day

I thought her love was something I could gain

She came to me and so I thought about her man
and always of her face

~~She took a ride with her to the hills~~

She took a ride with her to the hills
We stayed inside that I remember still
Watching TV late at night

and all the hours of the day

Oh sweet deliver me

from all my sins persuade

and I will remember you

all the hours of the day

I saw her at ~~the house~~ ~~the house~~

She talked as if she'd forgotten the whole thing

and wished that I would go away

I drank a lot and acted quite dumb

as if it were some part of divine proof

I wouldn't think of her all night

and all the hours of the day

she took my thoughts but I regained them soon

and my poor heart oh it recovered too
and I surging off the wreckage
How many times did I repeat the act
It's hard to tell because I'm someone's
Cause ~~the house~~ ~~the house~~

from all my ~~own~~ persuades
I ~~will~~ ^{will} remember you
all the hours of the day

I saw her ~~at~~ at ~~the~~ ~~place~~ ~~of~~ ~~the~~ ~~place~~
She talked as if she'd forgotten the whole thing
and wished that I would go away
I drank a lot and acted quite stupid
as if it were some sort of ~~some~~ ~~kind~~ ~~of~~ ~~proof~~
I wouldn't think of her all night
and all the hours of the day

(Oh)
She took my thoughts but I regained them soon
and my poor heart oh it recovered for
and I hurries off the escape
How many times did I repeat the act
I should be well because I become ~~loving~~
Cause ~~the~~ ~~poor~~ ~~life~~ ~~again~~ ~~and~~ ~~happy~~ ~~and~~ ~~through~~ ~~all~~ ~~the~~
