

She said he said 10/78

Am? Em? Fu (F7, B69) E7 Aug 69  
She said something so unexpected  
He said oh come on goddamn it baby  
She said he said to do it so she did it  
He said no wait a minute that's not what I meant

~~Alongway to your response~~

She said you always say that and it's not fair at all  
He said well what the fuck do you want me to say  
and all the while they were engrossed in their  
angels flew about the room of ~~that~~ with a <sup>conversation</sup> ~~plot~~

<sup>Am?</sup> The TV was on and the <sup>Am?</sup> oven was on and the <sup>Am?</sup> perfect was on the <sup>Am?</sup> ~~blinds~~  
The cars were both off and the waterpots off

The Bikes ~~was~~ were in and their clothes were all in  
and the intercoms in and their drugs were all in  
and their therapist off on a trip

The maid she was out and fire ~~was~~ all out  
and the lawn of course out and some batteries out  
The mattresses were up and the ~~beds~~ were all up  
and the barometer up and the trees too were up  
But the talkit was down and the rugs were all down  
the computer was down they had discoe down

She said ~~at~~ ~~the~~ ~~end~~ something about his ~~practical~~  
He said now let's not start out that one  
She said something about his tactics  
He said something got her more undone  
She said sometimes you can be so much more  
He said something closer to flattery

and then <sup>Can?</sup> they made love <sup>Am?</sup>  
 as <sup>Am?</sup> men + women <sup>Am?</sup> who live together <sup>Eq</sup> <sup>Am?</sup> <sup>Am?</sup>  
 They were pretty good at changing times and types <sup>Am?</sup> + <sup>Am?</sup> <sup>Am?</sup>  
 if you'd be surprised at how well they did <sup>Am?</sup> <sup>Am?</sup> <sup>Am?</sup>  
 and at all the positions they got into  
 It would seem even to the casual observer  
 that this was something that they were used to  
 and when they were finished they  
 collapsed into each other and huffed + puffed + went uhew!  
 and wiped off with a towel  
 and threw the towel on the floor  
 and dropped around for cigarettes  
 and ashtrays + matches + finally scored  
 and smoked a cigarette each  
 and slept a bit and snored  
 Then she sat up to read  
 and he opened his eyes and looked at the door  
 and then

He said Honey I'd like to say just one more thing about  
 she said that's not quite what I meant  
 He said what do you mean by that  
 she said why can't you be more ~~cooperative~~  
 He said ~~you're so goddamned~~ you're so goddamned  
 she said oh you make me so  
~~all the while~~

We leave our ~~lovers~~ couple all in tangles  
 and not a minute too soon  
 and all the white angles spun <sup>perfectly</sup> about the room
