9/78

Now I love famous people  
I meet them when I can

~~but~~ But what about the down + out

and tourists from Japan

The boys on the trolley

a lovely faber with

hippies from the East Coast

and Black folks from the South

Gettin' in and being friends it warms the heart it do <sup>ETP</sup>

But ~~what it offers to be~~ <sup>to be</sup> ~~under than to make a tasty song~~ <sup>F</sup>

+ also like to be ~~some~~ nobody and to be completely alone

so more and more I meet the floor

Today I'm Stayed Home <sup>EM AM AM</sup> ~~GF BC~~ <sup>GF BC</sup>

I dig the rich eccentric

an expert on a nut

To ~~with~~ be with someone powerful

In the world or in a nut

But for the boring or the gouked

a confused angry clown

Who's in with the poor, as stiff

whenever is around

the nervous soul who's hard to find a comfort zone to meet <sup>F</sup>

a lovely lady in the hall or someone ~~that I met~~ <sup>in the street</sup>

who's ~~been~~ <sup>been</sup> around

whose ~~sailed~~ <sup>sailed</sup> and walked and flown

But to give a break to the human race

Today I'm Stayed Home <sup>EM AM AM</sup> ~~GF BC~~ <sup>GF BC</sup>
