Down at the ocean there ⁶⁷ ~~was~~ ^{was} a little bird ^{shoes} ~~was~~ ^{was} looking for shells then they found a crab who punched em on their feet and they moved ^{back} they ~~but~~ ^{but} made us point & laugh

Cause what are chickens doing

What are chickens doing on the beach?

I don't know!

Admittedly the day is nice & warm
We ask them what they're doing on the beach
They say we're on vacation from the farm.

Chickens on Vacation from the farm
Tomorrow they go to Fetherman's
They want a hunt they can't do it
Can you chickens? Yes of course!
