

Nice little boys are clean + tidy

Now I'm a man and I love women  
 I can even be indiscriminate  
 And I can ~~get~~ get into animal lust  
 But a woman with her own head  
 Is a hell of a lot better in bed  
 And can ~~teach~~ learn to love and trust  
 You gotta grow up little girl  
 In this ~~modern~~ world  
 It's full of ~~bullies~~ bullies, limits, ~~rules~~, lies + licks  
 Make ~~your~~ yourself what you wish  
 You may smell like a fish  
 But that's all there is if you're a fox  
 Future Fox - Future fox  
 Is that what they mean when they say  
 opportunity ~~business~~  
 Future Fox
