Get ahead

Got a friend at a desk
He's a grind out the checks
and boy ~~he's~~ sure expects
~~that soon he'll get ahead~~ – get ahead – get ahead
That pretty soon he's next
Oh hey friend dear Ted has got a mind to get ahead

There's a lady up the street
Throws a party once a week
Goes to others in between
She wants so desperately to
get ahead
Oh hey dear ~~Harper~~ – has got a mind to get ahead

The ruffians down the block
~~Jumped~~ Took the lady's purse + wallet
Pushed her down, and ~~left~~ Walks
~~Hoped that what they~~
Hoped with What they get
They'll get
~~Hoodlums~~ folks are mad and got a mind to get ahead

The organizer of the cause
Pointed to the systems flaws in his jaws
With his crooned ~~he was not forgot~~
of ambition their drive was
to get
The dreams of ~~other leaders~~ are all dead – they all checked
got ahead
