Hoppin' with Hanna

It will not be may will not be may

Oh → No Bb7 "we're hoppin' with Hanna" (Don't Tell me that!)

Oh → Look out the Window - what do I see
Father June coming after me
Turn on the TV what can I sell

I think you know it pretty well
Just took a bath and how I want to laugh
Hanna honey keep me from sufferin' wrath
Pretty well - you go to hell
