Reunion

Now I'm a white man - glad that I am
I even come from the South
And I'm proud to say I'm from Dixie
For an end to war and crime
And all of petty bickering
For the reunion of all mankind

Now let's - do it again
On a [illegible]
And [illegible]
[illegible]
For the reunion of all mankind

[illegible]
[illegible]
[illegible]
[illegible]
of us all [illegible]

So [illegible] folks - we can live together
Harmony [illegible]
Equality [illegible]
[illegible] and Dixie ain't the same
Let's [illegible]
To the reunion of all Mankind

alone on the Mesa survived our Conquest
where the sun's last [illegible]
Survivors [illegible] the plains - the Wanderers
[illegible] last hideout to [illegible]
But [illegible] conquered and [illegible]
She was [illegible] and she [illegible] by Guess Who
