

2/2a Simple Living Song

G D Em

Living simple aint the point the few  
a whole life stay up a simple move  
~~a simple move~~ through  
Nothing passes ~~unnoticed~~  
Goes unnoticed

~~Nothing passes unnoticed~~

Great confusion not the point  
~~Creation of the world~~ the fact  
~~praised by sages~~ as of r  
frustrated

Brought to pass

Hell is freezing  
angels churning  
Earth sleeping

Earth

Heaven burning  
all layers burning

Satisfaction cant be found with ease  
Blessings fingers in the barest breeze  
No aspect to be learned of these

appreciation  
Grateful rising  
~~No more~~
