

Till the World has a Name

I'd like to sing a song
 For every body ~~with~~ ^{with} ~~list~~ ^{list} ~~they~~ ^{they}
 There's many way ~~to~~ ^{to} ~~do~~ ^{do} ~~it~~ ^{it}
 That go (and that goes) without sayin
 But for the anthem I have in mind
 Which would be for the planet and all it combined
 It simply will be impossible to write
 Till the World has a name.

I would like sing it to
 Everyone from you to you
 And everybody ~~in~~ ⁱⁿ ~~the~~ ^{the} ~~world~~ ^{world}
 On this ~~glorious~~ ^{glorious} ~~plane~~ ^{plane}
 Everything that ~~is~~ ^{is} ~~on~~ ^{on} the screen
 as well as all that ~~is~~ ^{is} ~~between~~ ^{between}
~~what~~ ^{what} ~~to~~ ^{to} ~~be~~ ^{to} ~~seen~~ ^{seen}
 Till the World has a name

I guess we're pretty far from that
 About as far as we ~~exist~~ ^{exist}
~~clubs~~ ^{clubs} ~~and~~ ^{and} ~~continents~~ ^{continents}
 probably would ~~not~~ ^{not} be missed
 Can you imagine the endless fights
 Commitments that have long been made
 and never ~~is~~ ^{is} ~~a~~ ^a ~~person~~ ^{person} ~~satisfied~~ ^{satisfied}
 Not a nation not a race

How I'd like to write it down - how I'd like to sing it
 For the whole world round ~~and~~ ^{and} ~~all~~ ^{all} ~~that~~ ^{that} ~~is~~ ^{is} ~~in~~ ⁱⁿ ~~it~~ ^{it}
 Without the old clichés
 Something rousing, simple, ~~but~~ ^{but} brief
 all ~~of~~ ^{of} ~~us~~ ^{of} ~~could~~ ^{could} ~~sing~~ ^{sing} ~~all~~ ^{all} ~~of~~ ^{of} ~~us~~ ^{of} ~~persone~~ ^{persone}
 But such a song will wait to be till the World has a Name
