Melodies as Lovers

It's a Saturday night out here on the farm
So settled ~~down~~ back and unconcerned inside
I like to be with others
But if I get my brothers
~~I'll have~~ melodies as lovers tonight
There'll be

~~Delightful~~ It's a Saturday night in my cozy room
~~Delightful~~ as the tunes go rolling by
Dear Gibson my old buddy
You may be warped and muddy
But there's melodies as lovers tonight

— It's a Saturday night, it's a Saturday night

It's a Saturday night for singing & for sighs
An owl seeks for a mate out there on high
My loneliness is smothered
While I hum and hover
With melodies as lovers tonight

~~Tonight~~

Melodies as lovers tonight
Tonight!
