Enter as Museum - A Make - A Party  
Caused for you - 9 min

~~They said~~ ~~through the Holy of God~~  
~~Stupid Boys~~ ~~and what you say~~

you'd believe anything, anything, anything at all  
you say you love me but you don't know what you're  
saying

Stupid Boys

You're so gullible, gullible, gullible  
You say you're my friend but you're  
not

Do you want to be an asshole?  
Do you want to be a shithead?  
What are you gonna do?  
You're immoral - you're the one who you started it!

You're confused, confused, confused as hell  
You say you're right like you'd had a stroke  
Stupid

So you want to rule the world  
Take it away - it's yours

Stupid Boys

Come on over to my house tonight  
Let's talk it over
