# Bawled Out

Mid mornin' watchin' bees a swarming  
In the ~~the~~ eucalyptus in flyin' on the ground

God darn him says the lady ~~the man~~  
With her lips ~~and her dress~~ ~~at the time~~

He is gonna catch a bawled out from  
Oh what would we do without the lady ~~the lady~~

After lunch there seems to be a crunch  
In the kitchen, who can it be now?  
She gets up, goes and takes a look  
at the ~~the~~ ~~pan~~ ~~cover~~ ~~with~~ ~~egg~~ ~~pan~~  
Wonderin' ~~one day~~ ~~if~~ ~~they'll~~ get a bawled out

Oh no can't get away from the lady  
just be ~~as~~ ~~it~~

if you try to cheat you'll get a bawled out

Smacking pelless with their samplers  
Cursing her ~~representatives~~

Even ~~the~~ ~~highest~~ ~~of~~ ~~the~~ ~~priests~~  
He would ~~even~~ get a bawled out from the lady
