

~~Anthropologists~~ Anthropologists  
 after looking at ~~the~~ cultures & history  
 that were ~~imagined~~ <sup>GT0</sup> and <sup>GT0</sup> how we see  
 ideal male/female relations <sup>F9</sup> A9  
 love ~~that~~

~~We forget~~ ~~we~~ ~~are~~ ~~the~~ ~~style~~  
 of love that's usually regarded  
 what we ~~are~~ expect is some fantasy  
 that seldom if ever turns out to be  
 how many even have the capacity

To withstand such indulgent sensations  
 For what we ~~are~~ romantic love designed  
 is really bizarre and a psychotic state

But since we're expected to participate  
 let's take a glimpse at just what we want  
 see that ~~is~~ ~~the~~ ~~way~~ ~~we~~ ~~are~~ ~~in~~ ~~front~~ ~~of~~ ~~us~~

That ~~is~~ ~~what~~ ~~we~~ ~~are~~ ~~in~~ ~~front~~ ~~of~~ ~~us~~  
 They're in love - it's easy to see  
 - come take a peak  
 - look funny don't they

They're in love - they've got all the signs  
 - you call that a good thing  
 That is what's taught to seek and to find

~~There's love~~ <sup>Don</sup> and love and then there's love  
in <sup>BB</sup> ~~BB~~ and on the street  
Here we have a perfect example  
~~of this~~ <sup>of this</sup> ~~malady~~ <sup>malady</sup> ~~7~~  
~~fallen~~ ~~Man~~ ~~6~~ ~~7~~ are dyed for romance

~~For~~ little girls ~~to~~ ~~be~~ ~~in~~ ~~love~~

① That will last eternally

~~When~~ little boys see Hollywood Movies  
Some day that <sup>will be</sup> ~~for~~ ~~me~~ ~~BB~~ ~~7~~ ~~A~~ ~~7~~

Without in their homes await  
an airline pilot for a date  
Taxi drivers Latin beans  
Dream of Queens that couldn't be

They're in love - it's not hard to tell  
" - see he just fell  
She'd rather be with him than the car  
That's pointed proof that they're in love

② But its still great to go around  
For a while to jazz the pain  
For instance here we have today  
a fine young couple Madison Avenue Male

They're in love - off blithely they go  
" - a good purgative I suppose  
~~He's~~ got pimples on his penis - she an  
offset more veins

That's strictly between us - to each his dangers  
~~They~~ ~~are~~ ~~in~~ ~~love~~ ~~when~~ ~~push~~ ~~comes~~ ~~to~~ ~~shove~~  
They're for out and they and they're in love

I like me ever since I was born  
Then a boy came and <sup>on my head</sup> said  
Eggy poo poo Eggy poo poo  
I like me and I like boys  
I love you and I'm a boy  
I like shells but the shells are me  
I love you and you are an acorn

a cowboy sat on me today  
~~My shells can walk~~  
~~That's the cowboy says I love you~~  
But I'm a pig and I am blue

My shells can walk  
That's the cowboy shells can't  
That is the end of the song
