

Chivalry

^E Take the hand of the lady, ^{D7} ^{Abm} ^{D9} ~~man~~
 and she can't stand to be helped down the staircase
 Say a thing bout her lovely wings
 She'll demand what you never had face
 and you ^{G9} ^{CM7} ^{CM7} won't have a case

^{D7} ^{G9} ^{CM7} ^{C9}
 Long ago she'd a been delighted
 Throw your coat now she ^{lets} ^{slightly} ~~lets~~
 The ~~man~~ ^{man} has changed ^{to} ^{be} ^{gentle} ^{with} ^{you}
 you must be ~~careful~~ ^{careful} ^{if} ^{you} ^{say} ^{it}
 just like in the olden days

Tip your hat she'll call it crap
 That is that ~~she's slipping~~ ^{and the way}
~~a cushion slip and you'll get clipped~~ ^{it shall}
~~on a slip and the new Chivalry~~ ^{be}

Just do unto others like
~~one would like~~
 that others ~~do~~ ^{they} wanta be treated
~~that's what they call it~~
 That's what they call it
 That is what they once called chivalry

^{AM7}
 So there's a new chivalry
 It's not hard and its fun to do
 It's just ~~like~~ ^{like} ^{been} ⁱⁿ ^{the} ^{colbery}
 But if she wants to ride the horse
 Just go home and do ^{the} ^{wash}
 We're insecure with our ties and laces
 Open the door and she'll go out the side
 Take the time to read her mind
 Till these ~~new~~ ^{new} manners have been codified
