

If you don't know my love

"A" ~~B~~ ^B God it's been a long time since I seen your face
in look at the state ^{AB} ~~in~~ ^E ~~in~~ ^{AB}

Times have surely changed
you have caught the trends
Prop me up bring me a cap
Ah! look at the state in in

^A Times before we ^{AB} ~~before~~ ^{AB} ~~before~~ Corey
Paced the floor ~~but~~ ^{but} were not sorry
On the more ^{beg} ^{boy} ^{boy}
Hunky dorey bed time story

~~Do~~ ^{Do} you asked for it
Everybody knows you did
~~after~~ ^{after} ~~asked~~ ^{asked} for it
Walked in the ticket
But they didn't get that
I repeat that I heard
that you said
I thought that a shame
I thought for it
and
not

Table or to the gods
who tripped me and rubbed me
I'll be on my feet in a while my sweet
But look at the state in in

We learned to contrast and compare
Discriminate and ~~for~~ ^{shorts} again
This is no time to use your mind
just look at the state in in
