

Fools Together ^{Eb}

Fools Together - Fools Together

Fools our whole life through

Whatever it is that we do

There may be times that we are super
and others that we said through - SuperSmart

But usually - we're foolishly fools
and fools together too.

Fools from head to toe

wherever it is that we go
There may be heroes Bodhisattvas ^{Good} ~~hearts~~

~~We may cuddle or argue too~~

But usually we're foolishly fools
and fools together too.
and fools together too.
