

C G Am F

I'm always ready to know anybody
within reasonable bounds
But knowing someone like I know you
I know 'em them all

I'm always ready to do anything
If it doesn't hurt more than usual
But don't something tried with you and
I don't all

I'm always worried what will come about
In ~~the course of~~ surprising life ~~is~~ ~~unpredictable~~
~~These~~ as we sit ~~staring~~ ~~at~~ ~~the~~ ~~ocean~~ ~~and~~ ~~watch~~ ~~for~~ ~~whales~~
This is a total picture of June
