Laughed a hard loud walk by
Prostitute she winked her eye
Froggy ribs ~~to~~ & hops good by
A Walked my baby Frog

Even C
Sidewalk is waiting
Children are playing
Walking my baby Frog

Truck drivers yawning
Man upstairs singing
Guy with frowl playing
Walking my baby frog

~~Walking the frog is a great thing to do
Delightful and outlandish but just the way
When you're done they're still out~~

Even D
Froggy delight taking in the sights
Froggy under the birds to fly him other
birds

Who smiles and says he has
Lady gives her hugs a slap
Froggy! what you think of that
Walked my baby Frog

Froggy is being aware that he is popular here
He blows a kiss in the air and a ~~new~~
housefly disappears

~~Police men are smiling~~
Black hipsters howling
No one is scowling
Walked My Baby Frog
