~~We~~ We threw the stones at Mary
Not the Virgin but the whore
A I myself had just tied back my robe
We'd just gotten in the swing
When this do-gooder stepped in
But Jesus Christ! we got him in the end

We bood at Bill in Berkeley
~~That~~ a crackpot that Graham the people
He's a ~~crackpot~~ deeply who starts the people
Someone asked me why we'll bood
~~cause with~~ his ~~stupid~~
I should know - it's been good to ~~live~~
~~for~~ ~~10~~ for 10 years
John's house

~~Wrote~~
I said I'd
tell you
when
you
were
there

We scrubbed the boys from Viet Nam
As they came flying back
Embarrassed at their slaughter and their fight
We're the liberals who hail sent them
Now we want them to report ~~and~~
We have brought them back and
claimed both times we're right
