

1) A ~~F#(a)~~ ~~F#(a)~~ bash in the L A hills
Things were popping on the hills
When ~~looking out from~~ the Back deck Bill
heard a ~~growl~~ and a ~~snarl~~

2) The party's really great
For the next bits I can't wait
Bill thought that he should state
There's something out back

3) I know there's problems in my mind
I promise to give them ~~at~~ time
But still I ~~feel~~ ~~it~~ ~~wise~~ ~~to~~ ~~say~~ ~~it~~
There's something out back

4) I + 's huge and it is/was
Large teeth and sharp beard
I + 's everything I've feared
I + 's spoiled the party & ruined it all

5) The host said don't start rumors
and be a party pooper
You have surely made a blooper
There is nothing out back

6) Bill Don't be a drag, Take some goodies from
the bag
But Bill continued to Nag that

7) So one by one they heard
and soon all knew for sure
that the party should defer
to this something out back

8) ~~50~~ ~~people~~ ~~walked~~ out to the deck to take a look
and they ~~peered~~ ~~and~~ ~~crossed~~
For something out back

9) Here he's shaking now she ~~panes~~ - he's teeth & growls
The supports then ~~gave~~ ~~way~~ ~~and~~ ~~the~~ ~~house~~ ~~collapsed~~
and ~~the~~ ~~house~~ ~~collapsed~~

With
a
drunk
back
and
a
drunk
back
There's a monster on the front porch
There's something out back

was a giant beast he feared
And the sounds came thru more
Bill he pushed inside to shoo
There's something out back
