

Cruise on the Polmas Bay Nov. 77

Bb

Oh - bend alone she will so surround
We will spend our day today
Cruise on the Polmas Bay

Oh - times not a thief - no - it is the thief

We will share moonlight tonight
Sitting on the Kumberry Reef

Oh - the fogbanks burning
Listen close so the tide is turning

Those for the tidepools yesterday
Spore it is time to turn in

Nestertums Bob like a crowd

Cyprus creaks and waves out

Breakers wind sounding fall

Seagulls call pierces all
" " " "

Oh - back to the breeze oh - button my sleeves

We will let today's sun set
Barefoot down on Agate Beach
