Bring heart to you

" " " "

On a perfect world in a terrific galaxy
lived a perfect turtle or at least it seemed
Shell of emerald green and claws
like ivory snow

living on an island in a perfect home
The
Passing day by day Passing year by year
Sun around the sky, sky and ocean clear
Fish would boat by whistling an ever loving tune
Everything was perfect - everything was dear

The

I brought the turtle heart on a gorgeous day
Storm clouds ~~formed~~ formed

Fishes swam astray

a billion or so years later
an explosion rocked the globe
Now its dead and grey
again a perfect world

The
