go with over cross flat river
I'll never find the boat
I been a long time coming

I'll tell you something - it's not just a long way to
had to sneak away from the preachers with the hunters traps
I been a long time coming I been...
I'll tell - it's not a long way back

Then this kid who sat in the back of the class
and offered me a ride across the bridge
he said the boats aint running
and he just sat there gumming
his can 'n humming a bar in the window a bit
I'll tell you something it's not a long way back

been a long time coming
I'll tell you something
it's not just a long long trip
