

Oct. 77 Daddy, Happy Birthday Today

Who ^{Am} ^{Dm} ⁶⁷ - once stood in Miami in a hurricane
As bookkeeper away from home and ^{Am} ^{EM} ^{Am} ⁶⁷
Hotel people eating popcorn while a film was played
It's Daddy - Happy birthday today ^{Dm} ^C ⁶⁷

Who - was born in Crescent Texas late in 1903
Was a reader in the Church until he quit disappointedly
& have of picture of him in the ROTC
Daddy - happy birthday today

Who and I would be ^{EM} ⁶⁷ in the den
in the bedroom ^{EM} ⁶⁷ ^{Bb}
Daddy'd say lets be ready ⁶⁷ early to go
So we can sit around and crack jokes

Who - instead of going fighting worked on bomber plants
Didn't erect his tentacles for a year if they weren't payed
Wouldn't let me have a BB gun - his name
It's Daddy - Happy Birthday Today

Who - tried to pry the masters of the pineal gland
knew Crazy Otto & Reggy Lee and the Spite Priest
At night he read the Bible and by day he traded hand
Daddy - happy birthday today

Who told me there's no death or matter, time or space
Said that though I was God and find it out somehow
Coated dinner plates with slurs, skulls and Stasov's ⁶⁷
Daddy - happy birthday today

Who - taught courage to my mother and they build a lot
always spoke with kindness or he spoke not
Tried to teach me baseball but the knuck he didn't get
Daddy - Happy Birthday Today

Who - hated McArthur scorned at Truman that was years ago
knew Mr. Walter and local sail gunner Joe
Was some loose some Daddy - always fair to those you know
Mother met her shadow briefly once with Arthur Ford
For he started feeling sick at Aspen Christmas in the Snow
Was halloween the nurse came and by morning it was over
but not see. Monte pitch the perfect game before he'd go

Who - Didn't want his tentacles for a gift of the spirit
Wouldn't let me have a BB gun - his name
Is Daddy - Happy birthday today

Who - tried to pry the matters of the pineal gland
thru the Crazy Otto & Reggie Lee and the Spike Jones Band
At night he read the Bible and by day he traded hand-
Daddy - happy birthday today

Who told me there's no death or matter, time or space
Said that thought was God and find it out something
loathed disrespectful curs, snits and various unkind play
Daddy - happy birthday today

Who - taught courage to my mother and they kissed a lot
always spoke with kindness or I suppose he not
Tried to teach me baseball but the knots he couldn't get
Daddy - Happy Birthday today

Who - hated McArthur scorned at Truman that was years ago
Studied Mr. Walter and loved sail gunner Joe
Win some loose some Daddy - always fair to those you know
Mother met his shadow briefly once with Arthur Ford
For he started feeling sick at Aspen Christmas in the Snow
Was halloween the nurse came and by morning it was over
I can't get see Morris pitch the perfect game before he'd go
Daddy - happy birthday today
