

I'd just given the phone to ~~the~~ Bell
and I won't be alone anymore
I'm needing a comb ~~but I don't have it~~
But I cannot stay here on the floor
The phones to phone home?
and the phone numbers
That \$10 bill you just stole
So please give me the phone
and after I'm through you can ~~have~~ the \$10 bill
just give me the phone
and I won't be alone anymore,
