

Gorilla | Dec. 77

The gorilla is very tall  
of that there is no doubt

The gorilla is very tall  
of that there is no doubt

The gorilla has large dark spots  
except for some albinos

The gorilla comes from Africa  
or somewhere thereabouts

The gorilla was hunted by natives  
and lions and plague and drought

The gorilla was ~~hunted~~ by Europeans  
Just to get its white bones

The gorilla eats high leaves of trees  
and other greens about

We visit the gorilla in zoos  
and wish they'd let him

The gorilla  
is very  
wonderful  
but it  
has got no class!  
Just look at it  
it will  
do that other thing

except for some albinos

The giraffe comes from Africa  
Or somewhere thereabouts

The giraffe was hunted by ~~hunters~~  
and lions and plague and drought

The giraffe was ~~hunted~~ by Europeans

Just to get its white horn ~~but~~ The giraffe  
is very  
wonderful

The giraffe eats high leaves off trees but it  
has got no teeth  
and other greens about Just look at it

We visit the giraffe in zoos  
and wish they'd let him out at that time
