It's Not

PMZBM

When I thought it was too late
 When I feared it was the end
 When I felt I couldn't wait
 When I ~~lost~~ lost my friend
 When I ~~found~~ found it to be lost
 When I ~~found~~ found it is too late
 It's not - it's not

Oh makes me feel what it's like to be mortal
 Oh let me see what a lot can be accomplished
 When I thought that we were doomed
 When I knew I'd never rise
 When my body was a tomb
 When I couldn't lift my eyes
 God I thought that it was over
 That is forever I thought
 but it's not - no it's not
 Oh bird in hand understand makes me fly
 Oh far away constant change she bird in the

When I'm sure that I'll stay down
 When I'm giving up the ghost
 When I'm ~~lying~~ in lonely town
 When I turned up all the town
 When I'm sure that change was better
 and that this life is what I've got
 It's not - no it's not

Oh oh not it's not (last time)
