

a lady's just another man | Aug 76

Oh - they say that a lady is a big <sup>kind</sup> thing

" " " " " can soothe and sting  
" " " " " does what only a lady can

Oh it's true; it's true - but I'm telling you  
That a lady's just another man.

They say that a lady's got a special mind

They " " " " " her <sup>own</sup> sense of time

" " " " " emotions only a lady understands

Oh it might be so; but also

a lady's just another man. C7

F7 a lady's just a lady when she thinks she's a lady  
or somebody else thinks she's a lady too,

some <sup>F7</sup> fellas see a lady as only a lay

a lady's a lady in a tentative way

Use the Senior Prom or Queen for a day C7

There goes some guy a cruising down the street

There at the corner is some sugar baby sweet

Footage plumeage junk a meat whose chromosomes

spell different words  
He gives a whistle she turns around

and shoots that fella she bird

a man's just a lady who is upside down

He might be a cop he might be a circus clown

When you strip down the notions and take him from his man

it's just another lady; the converse:  
a lady's just another man.

a lady's a lady; a man is a man

They " " " " " her pure sense of fun  
" " " " " emotions only a lady understands  
little lady <sup>little lady</sup>
