People got Nothin

Sept. 16

117

DM7
 People got nothin - nothin at all
 Nothin on earth, in ^{GM7} houses, in ^{DB7} hell
 Nothin next week or ^{DB7} ago on the ball ^{F#m7}
 In ^{F#m7} Career, in the market, romance or in jail ^{A9}

People got nothin less pleasure and pain
 Less configurations with no bottom line,
 Less seem' possessions all swept away
 Less lies from the others in lies from their minds.

People got nothin but standin' in line
 But endless mistakes and planned ahead
 But frictionless grabbing and endless wine.
 But sittin' around and liquor in bed,

People ^{got nothin} - no rats in no rut
 It's sad just for people all lonely and late
 Got each other and each other's nothin but
 Nothin Nothin Nothin Nothin Wants,
