My baby after told me that she'd been a bit confused
 & took her to the doctor. Who said had to break the news
 The lady's got a malady that nothing's known about
 God have mercy you're in Sacramento now,

My desk is rectangular, my telephone is black,
 I work inside a shadow from which way
 here come back,

We live in endless circles with the arches
 of in and out

My Boss said God have mercy you're in Sacramento now,

Sacramento By the river Sacramento please deliver
 Sacramento with the railroads Sacramento of the hobos
 I suppose in one of those who know the throes of Sacramento

So I asked a stonewall man what the government should do
 Mass said to let 'em eat in sleep in creep in work in whistle in scow
 Said we'd undermined the instincts with the laws in dole in doubt
 But God have mercy they're in Sacramento Now

With bureaucrats the landowners no couldnt wash our clothes
 Legislators with vibrators lay across the floors
 Lobbyists were sabbies its obvious how it shows
 The Press was best at smelling but it only smelled its nose
 The state Execs were nervous wrecks
 The ~~state~~ analysts eyed us through their specks
 The appointments talked but had trouble down chores
 The governor was on the street with some advisors who looked
 and seemed to have it all down neat but couldnt find the door
 I bought a ticket to the further reaches of the land
 and got drinks inside the pullman on some Napa Valley wine
 The sign hanging on the station that +

^{P7} Lobbyists were snobbist its obvious ^{A7} but it shows
The Press was best at smelling but it only smelled its nose
The ^{A7} State Execs were nervous wrecks
The ^{A7} ~~relating~~ analysts eyed it through their specks
^{A7} ~~appointments~~ talked but had ^{A7} ~~frable~~ down chores
The governor was on the street with some ^{A7} advisors who looked
they held the power that only seemed ^{A7} at their feet
and ^{A7} ~~needed~~ to have it all down neat but couldnt find the door
I bought a ticket to the furthest reaches of the line
and got drunk inside the pullman on some Napa Valley wine
The sign ^{A7} hanging on the station that I saw ^{A7} ~~walked~~ out ^{E7} ^{P7} ^{A9} ^{D9}
