C7 Eb
Let us talk about the matter at hand
Let it be put to the test of the band

and I feel good when you hold my hand. C

Outdoors watchin the pale moonlight;
Nobody really wants to win, nobody wants to fight,
age old corn coming back tonight

She kisses me and she holds me tight

amazing that earth is still growing and green
amazing to be water in this stream
I feel a thro' of the pulse delight
when she kisses me and she holds me tight
