Leppin Out

well there's a thing eye...
I've never seen a 1976
all of 1976
I've never seen a 1976
all of 1976
I've never seen a 1976
all of 1976

turned to the door my roommate looks days
He said I'm getting San Francisco
Dance into Florida up with fags

Leppin Out Leppin Out Leppin Out Leppin Out
" baby - Don't Don't Don't Don't Don't Don't Don't Don't

called my guy
he said she had the gun to learn to balance
D#7 F D7 F C

Age level in the future by the time we lost our brain
Even had the buttons punched by IBM machines
By now we cannot even pick our nose or sweep the floor
I read my breakfast eat the morning near fling to the door

I found myself out jealous in the land of
said fuck that shut Plastic Sanskrit
Macha Kodaid and jello

I went to a heady party
there was flesh & flash in mind
I told a bureaucrat to kiss my ass
and he just said what time?

Over by coffee asked if it show or eyegh
You know maybe it just can't work
and there's no use to pull our hair,
