

Victory Garden (Feb) 17#

We grow our lettuce in our garden  
Garden garden grow

We squash the apple beg your pardoning  
Garden garden grow

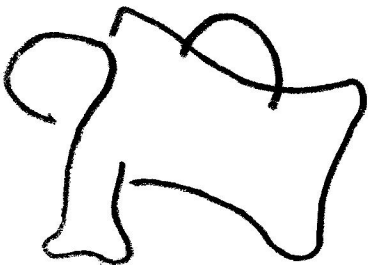

Grow Strong Victory Garden 1978

Cultivate you every day

This whole world's our victory garden - garden garden grow  
We are making what we want

The slums in town's part of our garden - 99%  
In poverty for some a harvest

Our lives we'll plant and grow our gardens  
Let this be our Victory garden

1979  
grow in bunches  
or in lines
