

We Threw the Stones

Oct. 77

We threw the stones at ^AMary ^B
 Not the virgin but the Whore
 I myself had just tied back my robe ^B E7
 We'd just gotten in the swing ^B
 when this do-gooder stepped in ^B
 But Jesus Christ! We got him in the end. ^A

We boozed at Bill in Berkeley
 Sayin' crackers is the Graham
 He's a wheeler-dealer with the peoples' ears
 Someone asked me why we're boozin'
 I'd said I'll tell you when we're through 'n
 I should know, I've been good to him shows more than 10 years.

We snubbed the boys from Viet Nam
 as they came ~~of~~ back
 Embarrassed at their slaughter and their fight
 We want them to repent since
 We're the liberals who sent them
 and brought them back, and claimed both times we're right
