Barking Elephants

Try ~~the~~ deepest darkest Somewhere
With our boots 'n hats 'n mosquito spray
Seeking the Barking Elephants
The natives ^{sup they} know the way

~~They~~ ^{They} ~~spend~~ ^{spend} Meantime back at headquarters
Professor Zeus ~~take time~~ is ~~back~~ at work in his lab
He strokes his pet Boa, ~~the~~ ^{the} ~~big~~ ^{big} Mongoose
The guy is all heart

Stella's our Zoologist
She's a person 1st
But her breasts make my mouth water
And her hips make my pants bout burst

The kid parachutes in with the awful news
Professor Zeus wants Barking Elephant chromosome

For a finchish gene bomb
It ~~that~~ ^{that} ~~would~~ ^{would} ~~be~~ ^{be} ~~useful~~ ^{useful} ~~to~~ ^{to} ~~create~~ ^{create} ~~the~~ ^{the} ~~new~~ ^{new} ~~babies~~ ^{babies}
and of course it would be turned ^{experimentally} ~~against~~ ^{against} ~~him~~ ^{him} ~~and~~ ^{and} ~~his~~ ^{his} ~~paternal~~ ^{paternal} ~~instincts~~ ^{instincts}

We never found the Barking Elephants
~~Magister's~~ ^{Magister's} ~~in~~ ⁱⁿ ~~but~~ ^{but} ~~they~~ ^{they} ~~pay~~ ^{pay} ~~it~~ ^{it}

But the natives I still insist
If you listen close you can hear them
From the ~~the~~ ^{the} ~~forbidden~~ ^{forbidden} ~~cliffs~~ ^{cliffs}
~~glens~~ ^{glens}

I gave up fame + fortune
and now am at a soul
Stella brings home the soybeans
and we make sweet sweet love

Last ~~had~~ DOD funding

and professor Tenzin ^{by his} experiments
~~led to the discovery of~~ accidentally led to the ~~discovery of~~ ~~the~~ Bomb
which neutralizes fissile material
He won the Nobel Peace Prize
and is revered throughout the world
Aint that the way things ~~should~~ happen

and that's the story
of the ~~Barney~~ Elephant
and Professor Tenzin

Part 2 EVS

In deepest darkest somewhere
With our pools of hate + mosquito prey
Seeing the barking elephants
The natives say they know the way

Meanwhile back in the laboratory
Then ~~our~~ sponsor Professor Keys is ~~still~~ at work
~~as a biologist at work and work~~
Spokes had pet boa Mengele
The guy is all heart

Sella's our Zoologist

She's a person 1st
But her breasts make my mouth water
And her hips make my pants burst

The bid parachutes in with the awful news
Professor Keys wants Barking Elephant Monkeys
For a genetic gene bomb
It would make every babies
Born as fathered mutants
And of course they'll eventually
be turned against us

We never found the barking elephants
But the natives still insist
If you listen please you can hear them
From the dark forbidding cliffs
I gave up on Yanny + fortune
Apply you a p at a Strip
Sella brings home the Keygens
and we make sweet sweet love

72-7

and Professor Taus lost
his Department of Defense funding
but his experiments accidentally led
to the development of the ~~heat~~ ~~resistant~~ ~~bomb~~
which neutralizes fusible materials
He won a noble peace prize
and is revered throughout the world,
~~and that's~~

and that the way things happen

and that's the story of
Professor Taus & the barking elephants
