

LOVE SONG FOR YOU, DARLIN'

Oh, it's a love song for you,
Darling.
Oh, so let's dance, dance, hey!
Hey, let's dance!
Love song for you, darlin'!
Whoa!

THE MOB HAS COME TO LIFE

Oh beast of many mouths,
A storm of frenzied eyes,
The balance shifts,
a darkness lifts,
The Mob has come to life.

No! No!

Oh beast of many arms,
Prepares the sacrifice,
While reason sleeps,
The gentle weep,
The Mob has come to life.

No! No!

(Quick! Hide over here.
You'll be safe for a while.
Just keep quiet!)

The priests hold up the hearts.
The beast is going wild.
Innocent blood in a nightmare
flood.
The Mob has come to life.
