Charlie and Hector have to make a hasty exit from the Lyres and Theeves concert after Hector freaks out watching Sam the Scratcher, thinking he's abusing the records. You see, Hector jumps up on the stage and tries to stop Sam and inadvertently overturns Sam's \$2,000 scratching table.) (Hector later makes restitution by paying \$100 a month to Sam.)

Hector: Hey, he's going to scratch those records!

Charlie: Shut up!

Hector: I've got to stop it.

Charlie: Don't go up there!

Sam: : What the Hell!

Hector: Stop! You're going to scratch the records!

(Crash!)

Sam: You idiot! ·

Charlie: Come on, let's get outta here!
