

AND WELCOME TO THE SHOW
(and thank you aīl alot)

POLITICALLY CORRECT
(Negroes in the Night)

Let's say something political
To change peoples' minds.
Alter the course of history
And, Improve the Universe!

BOUQUET OF WEEDS

I bring you bouquest that are
made out of weeds from the
lawn.
A messy parade that will fade
of the brief and the small.
No thing but mystery to pick
or to place or to see.
I fell on my face and have
broken the vase.
Here's the weeds.
