

Does this balance well enough?

Dangerous Place

~~Done by one of all at a time~~
~~Containing generations caught by forces & such?~~

~~Oh no don't be~~

1) This place may be ~~good~~ wonderful
~~this place~~ might be ~~great~~ that ~~is best~~
~~this place~~ for all + know it could be
~~the best~~ of all as good as you can get

Oh 2) But take a good look ~~at her face~~
This is a dangerous ~~place~~ ^{(this) (My) (His) (Their)}
Take a good look ~~everyway~~
This is a dang this is a dangerous place

3) They may be vaccinated
They may be feeling great
They may ~~be~~ live behind high walls
and be protected by the State
and if ~~its~~ one by one ~~or maybe~~ all at once
Eating on an apple, ~~It's all~~ ~~just~~
Sitting in the sun ~~different~~ ~~of~~ ~~reasons~~
Used a thousand stones ~~and you~~ ~~of~~ ~~advised~~
and becomes another one ~~to see both~~ ~~sides~~
~~you don't~~ With everything work out OK?
What will they become

Oh 4) Will they live and love happily
Will they get their knots undone?
~~the~~ We may die off one by one
~~the~~ We may go ~~in~~ a group

The fact remains you'll go insane
If you think that it will last

Oh 5) You don't need us facts you don't need no clues
You don't even need to think about it do you
