

F ^{G7} Dizzy Day ^{GMS} ^{CG}
Dizzy day - my throat is fallin out 26
Take some ^{GMS} vitamin C - don't know what it's all
Bkm about
Honey, pretty please me
Stay ^{GMS} around 'n tease me
Let's be sweet today - watch it as we move
on out ^{GMS}

F ^{AM} ^D
Can't be up and at 'em all the time
Can't be always about
Got a cold that's 4 days cold
And it really ^{GMS} knocks me out ^{AM}

Clear sky but the city's all stopped up
^{Terrific} ~~Terrible~~ congestion in the avenues and trucks
No one can respond
Or save us with a magic wand ^{dust.}
Someday it will rain smog and snow black

What a life - sure will not comply
Got no neck to ~~put~~ put my harness on
Friends 'n does console me
Gee we're all so lonely
Even though we're the children of the sun.
