

# Gi Gi.

Gi Gi - am I a fool without a mind  
Or am I merely just to blind  
To realize

Oh Gi Gi you have been growing up  
before my very eyes

When did your sparkle turn to fire  
And your warmth become desire  
Oh what miracial has made you the  
way you are

Gi Gi while you were twinkling on the  
brink

was I out yonder somewhere blinking  
at a star

Oh Gi Gi have I been standing  
up too close

Or back too far

When did your sparkle turn to fire  
And your warmth become desire

Oh what miracial has made you  
the way you are.
