

Other Power

Other Power even with you ⁱⁿ alone here

Secret loves save me from what I ^{hear}

Q. { and oh and oh she troubles though
it don't help out to tell you so
and me oh my she misery why
we must share that we divide.

Other loves - take me down past the fear
Secret covers - take me over & am wear

(Chorus)

Push in shove her to the doorway from the rear
as you hover - lean down sip
my soft salt tears

(Chorus)
