

I've got a pointed head.

People like to gawk + laugh  
as if I hadn't had a death  
Cause I've got a pointed head

People say you're not a monk  
that is just a crock a punk  
cause I've got a pointed head

Everybody puts me down  
just because my head ~~is~~ <sup>isn't</sup> round  
Cause

But I will never wear a hat  
anyway it makes me look fat
