 Everybody said we gotta have a cause
 Well we slipped out about the time they passed
 Now there was still the ~~Crash~~ ^{the} industrial revolt
 Program at our heels and tryin to get a hold
~~of a hell of a lot more~~ ^{than} good now where
 But what came in just goes out there
 an you just rock in your rockin chair
 its a good one
 Rock in your rockin chair
~~we've~~ ^{we've} got a while now
 Rock in your rockin chair
 F ^{AM} which leads to
 Rock in your Rockin chair
 "

Terrible confusion for the son of man
 and the father of the child had just began
 We still call home with hopeful hearts
 They're wonderin when we'll get our start
~~New comers are shocked when the lesson comes~~
~~But lets leave the objects of our care~~
 and R I'll watch the light fade
 R ~~The news~~ ^{its} optional
 R How bout a foot rub
