# Stuck on a Cliff

A7
Never — gonna get down
D Never — gonna get out
Of the trouble mess
We are hanging on a cliff A7
How are we ever gonna get down
A7
Clever — getting here at all
D
However — nobody'll hear us call
Out in the dark
No D one knows where we are A7
We should have left our names at the lodge
Weather — we can laugh it off A7
We are sure to be back for tea
There we lie
Though we sleep we wake + look down
Feather — in crevass of the wall
Sever — all the ropes that we hold
We are stuck face with a
